

# CellFood Day

APRIL 15TH  
2024  
10:00-14:30

AIAS

Høegh-Guldbergs  
Gade 6B, building 1632  
Auditorium

## Programme

**10:00-10:10** **Jette Feveile Young, FOOD:** Welcome and introduction

---

**10:10-10:20** **Andreas Kvist, FOOD:** BioMiMe: Bioinformatic Assessment of Natural and Mutant Milk Proteins for Precision Fermentation Eligibility - an application for seed funding for larger follow-up applications

---

**10:20-10:30** **Julie Strand, ANIVET:** Mammary Organoids for cellular milk production (OrgMilk) - An application for seed funding for larger follow-up applications

---

**10:30-10:40** **Martin Krøyer Rasmussen, FOOD:** The use of anti-microbial peptides to substitute antibiotics in the production of cultivated meat

---

**10:40-10:50** **Louise Heiberg, Nordic Foodtech VC:** How to spin your scientific research out of a university and into a startup

---

**10:50-11:10** **COFFEE BREAK**

---

**11:10-11:20** **Viktor Milkevych, QGG:** The modelling framework for in silico meat cells cultivation and cultured media optimization

---

**11:20-11:30** **Maria Florencia Bambace, BCE:** A novel sustainable bioprocess to obtain nutritious single cell protein (SustainPro)

---

**11:30-11:40** **Marta Irla, BCE:** ScreenVit

---

**11:40-11:50** **Christian Kvorning Lassen & Jacob Thyrsted Jensen:** Presentation of the START initiative

---

**11:50-12:40** **LUNCH**

---

# CellFood Day

APRIL  
15TH  
2024

AIAS

Høegh-Guldbergs  
Gade 6B, building 1632  
Auditorium

## Programme

**12:40-12:50** **Liisa Lähteenmäki, MAPP:** Consumer awareness and acceptability of cell-foods

---

**12:50-13:00** **Steen Brock, IKS:** Mapping discursive diversity in consumer evaluations of the naturalness, authenticity, provenance, and originality of cellular food products

---

**13:00-13:20** **Susanne Højlund Pedersen, IKS:** Art as the means to convey and study attitudes towards cultured meat and milk & Exhibition: Speculative Futures & future activities at Food Festival

---

**13:20-13:40** **COFFEE BREAK**

---

**13:40-13:50** **Barbara Vad Andersen, FOOD:** CellFoods in professional kitchens

---

**13:50-14:00** **Morten Graversgaard, AGRO:** Exploring regulatory, governance and policy considerations

---

**14:00-14:10** **Steen Brock, IKS and Nana Balle, Kontekst Kommunikation:** Mapping the Food Public in Denmark

---

**14:10-14:20** **14.10-14.20 Zexi Cai, QGG:** Cell based food Knowledge Sharing Platform

---

**14:20-14:30** **Jette Feveile Young, FOOD:** Closing remarks
